

RETREAT 2026 Updates

*******PLEASE READ! *******

Reservations

The Board has decided that we will no longer accept retreat reservations with more than one form in each envelope. Each reservation must be put in a separate envelope when mailing it in.

We try very hard to make the process as fair as possible for all attendees. Please know that we take this very seriously and want everyone who would like to attend to be able to do so.

Scholarships

Many of you may not be aware that there are financial scholarships available, to help pay the cost of the retreat. The board offers one full scholarship and two partial scholarships. If you are interested, please contact a board member or Laura Hinders at your earliest convenience. Thank you!

The 2026 dates for the retreat are April 17-19, 2026

Laura Nelkin is the instructor.
